---

Enterprise Account Executive with 6+ years of full-cycle SaaS sales selling AI customer experience and contact center transformation into Fortune 1000 organizations. Strong in conversational AI, AI quality management, and automation, with a record of multi-threaded enterprise deals across CX, QA, IT, and C-suite buyers. Lead technical discovery and proof-of-value evaluations in partnership with engineering and solutions teams. Consistent quota attainment managing \$65K–\$550K ACV deals through complex, multi-month cycles in regulated industries.

## EXPERIENCE

---

**Cyara** • *AI-Powered Contact Center & Conversational AI Assurance*

**Enterprise Account Executive**

Jan 2023 – Dec 2024

- Sold AI-powered contact center testing and conversational AI validation into Fortune 1000 organizations; managed \$75K–\$225K ACV deals across 5–7 month, multi-stakeholder evaluations.
- Aligned automated testing and quality management strategy with enterprise contact center transformation roadmaps on Genesys Cloud and Amazon Connect, partnering with VP- and C-level buyers across CX, IT, and QA.
- Ran technical discovery across IVR automation, regression testing, and QA frameworks in CPaaS-integrated enterprise environments, in partnership with professional services and engineering.
- Structured multi-year agreements that tied AI quality management and CX assurance to measurable contact center outcomes, maximizing total contract value.

**Quota Attainment:** 102% | **Multi-Year Contracts:** 9 closed (3-year terms) | **Career TCV:** \$1M+

**Telnyx** • *AI Voice & Communications Platform*

**Enterprise Account Executive**

Jan 2025 – Present

- Carry \$1.2M annual quota; own an enterprise territory and manage multi-stakeholder buying committees through 6–9 month evaluations with CX, product, and engineering leadership.
- Lead technical discovery for AI voice and conversational AI deployments, scoping production requirements with engineering buyers to close ACVs of \$65K–\$550K.
- Win competitive replacements against incumbent providers by positioning on reliability, cost, and customer experience outcomes; close multi-year committed agreements.
- Manage the full motion from proof-of-value scoping to commercial close with VP and C-suite economic buyers across parallel technical and business tracks.

**Quota Attainment:** 92% | **Multi-Year Contracts:** 6 closed (2-year terms) | **Career TCV:** \$900K+

**Interlink** • *RPA & Intelligent Automation*

**Mid-Market Account Executive**

Mar 2021 – Aug 2022

- Drove net-new automation business in regulated mid-market accounts through consultative, value-based selling; managed \$60K–\$180K ACV deals across 4–6 month cycles tied to digital transformation mandates.
- Closed 6 net-new logos through structured technical discovery in compliance-driven verticals.

**Quota Attainment:** 95% | **Career Deals Closed:** \$850K+

**Twilio** • *Cloud Communications & Contact Center*

**Enterprise Account Executive**

Mar 2019 – Feb 2021

- Sold contact center, programmable messaging, and cloud communications solutions to engineering and C-suite buyers in healthcare and fintech; managed \$90K–\$420K ACV deals across 6–9 month cycles in regulated industries.
- Ran 40+ enterprise discovery cycles and advanced deals through technical and executive buying committees, closing \$1M+ in support of large-scale digital transformation.

**Career Deals Closed:** \$1M+ | **Quota Attainment:** 92%

**Motive** · IoT & Fleet Telematics Platform

**Mid-Market Sales Development Manager**

Feb 2017 – Feb 2019

- Built and coached an SDR team through structured performance development and pipeline accountability; attributed to \$450K+ in closed-won revenue in Year 1 and promoted 2 SDRs to Commercial AE.

**Samsara** · IoT & Fleet Telematics Platform

**Mid-Market Sales Development**

Apr 2017 – Dec 2017

- Sourced \$500K in qualified pipeline with 50% meeting-to-opportunity conversion presenting AI-enabled telematics platforms to mid-market accounts.

**Quota Attainment:** 96%
